- **Location:** Reid Ballroom

### About Emerald Health Therapeutics, Inc.

Emerald Health Therapeutics, Inc. is a Canadian licensed producer of cannabis products, with strategic initiatives focused on differentiated, value-added product development for medical and adult-use customers supported by novel intellectual property, large-scale cultivation, extraction, and softgel encapsulation, as well as unique marketing and distribution channels. Its 50%-owned Pure Sunfarms operation in British Columbia has reached its full run-rate annual production of approximately 75,000 kg in its first 1.1 million square foot greenhouse Delta 3 operation; a second 1.1 million square foot greenhouse is planned to be in full production by the end of 2020. Emerald's wholly-owned facilities in Québec, a high-quality indoor growing and processing facility, and British Columbia, an organic greenhouse and outdoor operation, have started production and are working toward final licensing amendments. Emerald has also contracted for approximately 1,200 acres of hemp annually in 2019 to 2022 with the objective of extracting low-cost CBD. Its team is highly experienced in life sciences, product development, large-scale agri-business, and marketing.

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*

*Cautionary Note Regarding Forward-Looking Statements: Certain statements made in this press release that are not historical facts are forward-looking statements and are subject to important risks, uncertainties and assumptions, both general and specific, which give rise to the possibility that actual results or events could differ materially from our expectations expressed in or implied by such forward-looking statements. Such statements include obtaining required regulatory approvals; production and processing capacity of various facilities; expansion of facilities; obtaining additional cultivation licenses and other permits; production at various facilities; receipt of hemp deliveries; entering into of strategic agreements; payments of amounts owed to and owed by Emerald; transplanting crops; obtaining final municipal approvals; assessment of cultivation and harvesting techniques; scale up of reliable, quality low-cost cannabis; and anticipated production costs.*

*We cannot guarantee that any forward-looking statement will materialize, and readers are cautioned not to place undue reliance on these forward-looking statements. These forward-looking statements involve risks and uncertainties related to, among other things, changes of law and regulations; changes of government; failure to obtain regulatory approvals or permits; failure to obtain necessary financing; results of production and sale activities; results of scientific research; regulatory changes; changes in prices and costs of inputs; demand for labour; demand for products; failure of counterparties to perform contractual obligations; as well as the risk factors described in the Company's annual information form and other regulatory filings. The forward-looking statements contained in this press release represent our expectations as of the date hereof. Forward-looking statements are presented for the purpose of providing information about management's current expectations and plans and allowing investors and others to obtain a better understanding of our anticipated operating environment. Readers are cautioned that such information may not be appropriate for other purposes. The Company undertakes no obligations to update or revise such statements to reflect new circumstances or unanticipated events as they occur, unless required by applicable law.*
