About Emerald Health Therapeutics

Emerald Health Therapeutics, Inc. is a Canadian licensed producer of cannabis products focused on differentiated, value-added product development for medical and adult-use customers supported by novel intellectual property, large-scale cultivation, extraction, and softgel encapsulation, as well as unique marketing and distribution channels. Its 50%-owned Pure Sunfarms operation in British Columbia, with value-oriented products, is in full production at its first 1.1 million square foot greenhouse operation, Delta 3. Pure Sunfarms' second 1.1 million square foot greenhouse, Delta 2, is planned to be in full production by the end of 2020. Emerald's Verdélite 88,000 square foot indoor production facility in Québec is fully-licensed and increasing cultivation of premium, craft cannabis strains. Its Metro Vancouver high-quality organic greenhouse and outdoor operation is expanding production in the first of two 78,000 square foot buildings. Its Emerald Health Naturals joint venture is broadening distribution of its non-cannabis endocannabinoid-supporting product line across Canada. Emerald has contracted for approximately 1,000 acres of hemp annually in 2019 to 2022 with the objective of extracting low-cost CBD. The executive team is highly experienced in life sciences, product development, large-scale agri-business, and marketing.
